50 free checks.

See inside for details  
Offer expires 12/31/2022  
Mention promo code:  
21PT50FREE\*

High-security MaxProtect™ checks by Sage  
provide 30 security features.  
Below are just a few of the most advanced features.

- 1 **Foil hologram:** Additional protection against duplication of the document.
- 2 **Thermochromic heat-sensitive icon:** Ink disappears when warmed by touch or breath and reappears upon cooling, immediately providing authentication.
- 3 **Toner adhesion:** Toner is nearly impossible to remove without visible damage to the paper.
- 4 **Prismatic multicolored background:** Subtle gradations of color make it difficult to copy or reproduce.
- 5 **Chemically reactive paper:** Uniquely treated paper creates stains, spots, or discoloration if chemicals are used to alter or wash checks.
- 6 **Invisible fluorescent fibers:** Embedded within the paper and visible only under ultraviolet light make reproduction nearly impossible.
- 7 **Anti-Counterfeiting Dot Pattern:** A pattern of dots that helps imaging software within enabled colored copiers from reproducing the check face image.

## 50 free\* MaxProtect checks

Please call us at **1-800-617-3224** and mention promo code **21PT50FREE** and 50 MaxProtect checks are yours . . . free!
